Brand New Book ***** Print on Demand *****.Summary: A little boy who simply loves his bed and wishes he could take it everywhere he goes. Let the adventures begin. This is the first book in the Stevie Tenderheart series. (A First Edition) This is a fresh and delightful bedtime story with a great message. The author uses a wonderful cadence making it fun to read to your child. Let s be honest, reading the same book to your child, night after night, must be fun for you too. This particular bedtime story will put you and your children to sleep--it s that good! Many animals fill the pages (monkeys, panda, deer, rabbit, fish, dogs, cat, lion, moose, goose and cow, etc.) all with smiles and great faces. This is a fun book written by a new author who traded in his comic strip to write children s books. There are 20 beautiful, expressive illustrated pages that are married to this darling little story in a way that is cute, thoughtful and truly gentle in helping you put your children to bed. It is meant as a BEDTIME STORY not for general reading during the day. Why? Because it will have you yawning by page three; doing exactly what it was designed to do. Stevie takes his bed on many adventures. Absolutely guaranteed to make your child giggle. The art is probably a little too good, making this story not so much of a page-turner. Young eyes love the detail and the colors and the expressions of the animals and will remain fascinated on the page long after you ve read the words. Fathers, it s never too late...
