After escaping family drama to start a new life in New York City, she's up for whatever challenges life brings. So when an opportunity arises for her to use her travel industry expertise and serve as an assistant and tour guide for her idol, Pamela Lambert-Leigh, star of television's Tea-Time with Pamela, she jumps at the chance. But Laurie's exciting adventure ends up entailing a lot more than scouting locations for the cake queen's new cookbook when Pamela's sassy mother and sulky, rebellious daughter tag along for the trip. As they cruise around bakeries in New England trading local delights like Red Velvet Cake and Whoopie Pies for British specialties such as Victoria Sponge and Bakewell Tarts, more secrets than recipes are revealed. Now, in between rediscovering romance, learning to forgive family, and finding the best dessert on the East Coast, Laurie, Pamela, and the gang might find there's nothing a nice cup of tea, a sweet treat, and a little bit of friendship can't heal.
